

OCT 31 4-7PM

DRIVE-THRU

Trick-or-Treat

Keep volunteers and trick-or-treaters safe!

- Do not get out of your vehicles; candy will be handed in through open windows
- Follow the entrance and exit signs to maintain one-way traffic at all times and do not block traffic
- There is no "route" to follow-- go to any or all of the stops in any order that works for you
- Thank you to all of the event volunteers who have worked hard to create a fun experience for our local kids and families!

Special thank you to Addison County Home Health & Hospice for making this event possible and to Shaw's for donating candy!
