

OCT 31 4-7PM

DRIVE-THRU/WALK THRU

Trick-or-Treat

Keep volunteers and trick-or-treaters safe!

When pulling up to a drive-thru location, please do not get out of your vehicles; candy will be handed in through open windows. When visiting walk-thru locations, please park your vehicle and walk through the stations. Candy cannot be given out to vehicles in this area. There is no "route" to follow-- go to any or all of the stops in any order that works for you but please follow any entrance/exit signs and don't block traffic! Thank you to all of the event volunteers who have worked hard to create a fun experience for our local kids and families! And, thank you to Addison County Home Health & Hospice for making this event possible and to Shaw's for donating candy!
